

REMARKS

The Examiner rejected Claims 1, 2, 4, 7-9, 17-19, 21, 27-32, and 43 under a number of different obviousness rejections. Applicants disagree with the Examiner's rejections (e.g., they are not sufficient to establish a *prima facie* case of obviousness). The Examiner also indicated that Claims 45-56 were allowable. As such, in order to further the prosecution of the present application, without acquiescing to the Examiner's rejections, while reserving the right to pursue the original claims in the future, Applicants have cancelled the rejected claims. As all of the rejected claims have been cancelled, Applicants submit that a Notice of Allowance should be issued with regard to allowable claims 45-56.

Should the Examiner believe that a telephone interview would aid in the prosecution of this application, Applicants encourage the Examiner to call the undersigned at 608-218-6900.
